29 November 1982

MEMORANDUM FOR: Chairman, Committee on Imagery Requirements and Exploitation
(COMIREX)

FROM: [redacted]
Acting Director, Office of Assessment and Evaluation

25X1

SUBJECT: "Review of Capabilities Planned, Programmed and Budgeted
to Support Implementation of the NTP," December 1982 [redacted]

25X1

1. In response to D/ICS direction, OA&E initiated and has completed subject study in concert with your office. As you know, [redacted] had the lead on this study effort. Attached is his initial draft report on the results of this study. The draft and/or portions thereof, have been informally coordinated with DIA, NPIC, Air Force, and appropriate O/ICE Staff elements, i.e., PAD and CAMS 2 staffs. [redacted]

25X1

25X1

2. It is requested that the draft report be formally coordinated through the COMIREX/IPS. It is also requested that the IPS members coordinate the draft with the U&S Commands, et al. This will accomplish the objective of informing the imagery community worldwide of capabilities that exist or are planned for the mid-1980s. [redacted]
